

Before completing this form please read "Robin Jackson Design Fund Details" to check that you are eligible for consideration for an amount from this fund. Queries should be sent to dyson-manager@eng.cam.ac.uk

Name:

Email address:

Name of Group or Team, if applicable:

Name of Partner Organisation(s), if applicable:

Short descriptive title for your bid:

College:

Status (e.g. undergraduate, etc.): (Note that preference will normally be given to undergraduates.)

If postgraduate, please indicate Research Group and Supervisor:

Note that the fund is restricted to undergraduates and postgraduates in CUED.

Amount requested: (Normal range would be £250-£500, though larger amounts may be considered.)

Total amount needed to complete project, if greater than above amount:

(If applicable, please give details of any other funding sources in the next section.)

Describe how you would use the requested and total funds:

(Maximum 600 words, continuing on separate sheets)

Note that priority will be given to projects that:

- contribute in the areas of rehabilitation and medical applications or generally improve the quality of human life
- will deliver a tangible result

To support your evidence, it may be useful to include:

- a thorough description of your intended use of funds
- a planned timeline of activities
- a budget to indicate where and when the financial assistance will be helpful
- and explanation of how the tangible/physical result and benefits will be delivered.
